

DUELAME

CHIANTI CLASSICO DOCG

AN EXPRESSION OF TWO FUNDAMENTAL ASPECTS OF THE TERROIR.

It is the typical altitude and soil that inspired the name of Duelame Chianti Classico D.O.C.G.. It is produced from vineyards planted with indigenous grapes lying at the estate's two extremes of altitude, the lower at 420 meters and the higher one at 655, lying on lame (literally, "blades") of land, those stratified terraces rich in mineral substances to which Lamole owes its name and which make the landscape of Chianti Classico unique.

The wine we obtain is intense and spontaneously heroic in taste.

TECHNICAL INFORMATION

The grapes, harvested from vineyards standing at between 420 and 655 metres asl, undergo destemming before they pass through the optical sorter. The must ferments on the skins in steel vats, where the wine then remains until spring when it is transferred to oak barrels for maturation. There follows the bottling and a further maturation in bottle.

TASTING NOTE

Its bright ruby red color introduces us to a floral bouquet of iris and violets, along with scents of red berries and hints of aromatic herbs. It is fresh and generous on the palate, with extremely fine-grained tannins that integrate splendidly with its tangy notes and crisp red fruit. Suggestions of underbrush linger on the aromatic finish.

SERVING SUGGESTIONS

An ideal red for accompanying traditional Tuscan dishes such as pappa al pomodoro (bread and tomato soup) or pici with game sauces, but also – served cool – selections of rustic cold cuts, a tartare of raw meat, testaroli with a basil pesto, or even fish with various sauces.
